

## Rapid Ride - How Do I Read This Map?

Rapid Ride service does not have a traditional schedule. The map above gives the approximate time it takes to travel from Rapid Ride station to station. To determine how long it takes for your trip on Rapid Ride, simply add the minutes between each station.

## Rapid Ride - How Is It Different From Regular ABQ RIDE Service??

Stops are located 1/2 to 1 mile apart at major intersections and destinations. Rapid Ride will only stop at Rapid Ride stations. If you need to travel to a point in between Rapid Ride stations, you can either walk or transfer to a #66 Central local bus. The #66 Central is able to stop at all marked stops along its route.

Consider driving to a free ***park and ride*** and then boarding Rapid Ride. ABQ RIDE currently is constructing a park and ride facility at Central and Unser, and a park and ride facility is planned for Uptown near the newly completed Uptown Transportation Center.
